

PORSCHE

**Porsche Approved
pre-owned cars**
Warranty

**Test passed.****With distinction.**

With us, every pre-owned Porsche undergoes a 111-point inspection, resulting in maximum reassurance for you. This peace of mind comes as standard with Porsche Approved pre-owned cars.

Driving enjoyment – guaranteed.

More than two thirds of all Porsche vehicles ever built are still on the road. The Porsche name therefore stands not only for performance and an unforgettable driving experience, but also long vehicle life. That is why our pre-owned Porsche sports cars come with a promise:

a warranty that includes an exceptionally high level of service.

To us, this shows the extent of our confidence, while offering you maximum peace of mind and optimum service should an unexpected problem happen to arise.

Benefits.

The Porsche Approved pre-owned car warranty is valid worldwide for one year. For an additional charge, it can be extended to two years as an option. Naturally, when you buy a Porsche pre-owned car that is less than two years old, this takes effect only after the original warranty on the vehicle has expired. Here you are not

tied to specific periods – you can take out the follow-up warranty at any time while the vehicle is still under the original warranty. The same applies to an existing pre-owned car warranty: again, you decide when to extend it.

Also available: the Porsche Approved individual warranty. For an additional charge, our services are available for Porsche vehicles where the warranty has already expired or for vehicles acquired privately*, i.e. not via a Porsche Centre.

**Exclusivity:
the Porsche Approved seal.**

Before sale, every pre-owned vehicle undergoes a rigorous inspection based on a 111-point checklist and is reconditioned where necessary in accordance with Porsche's high standards. Vehicles that successfully pass these checks receive a special distinction: the Porsche Approved seal.

Only original Porsche parts are used in any preparation. Of course, the way our vehicles look is also subject to stringent checks. Since we want each vehicle to make maximum visual impact, we also carry out any necessary work in this area too.

Further benefits of your pre-owned car warranty include the fact that there is no restriction on mileage during the warranty period and that, in the event of a fault, we cover the costs of labour and parts to the vehicle's current value without the customer sharing the cost – a service for which you do not have to pay in advance.

Eligibility.

The warranty is available for all Porsche vehicles less than 9 years old (8 years for a 24-month warranty) and where the mileage is less than 125,000 miles (200,000 km). The vehicle must be inspected according to all checklist criteria and any faults must be repaired. We require all servicing to be carried out and documented in accordance with the Warranty & Maintenance brochure.

Commitment.

Subject to terms, the Porsche Approved pre-owned car warranty covers the function of most components and assemblies.

For example:

- Engine (incl. radiator, heating/heat exchanger, etc) but excluding the exhaust system
- Fuel system (incl. transmitter for fuel supply, pressure sensor, etc)
- Cooling system
- Transmission (incl. clutch release bearing and clutch fork)
- Drive assembly
- Steering (incl. power steering and hose)
- Brake system (incl. master cylinder, brake booster, pressure accumulator, Porsche Stability Management, etc)
- Suspension (incl. supercharger, levelling sensor, pressure sensor, etc)
- Air conditioning/heating
- Instrument cluster
- All pumps
- All actuators
- All electric motors
- All control units
- All switches (malfunctions only)

Limitations.

The Porsche pre-owned car warranty covers an extensive range of costs and repairs in the event of a problem.

The warranty promise does not apply to:

- Servicing/maintenance tasks not associated with a warranty claim
- Wear and tear
- Repairs resulting from incorrect handling or overuse
- Unauthorised modifications
- Vehicles which have not been maintained in accordance with the terms of the Warranty & Maintenance brochure
- Vehicles where customer service recalls have not been carried out

Validity.

For added convenience, the warranty for your pre-owned Porsche is included in the purchase price and your Porsche Centre issues the certificate. This pre-owned car warranty also relates to the vehicle rather than the owner and can therefore be transferred if you sell your Porsche privately.

Porsche Assistance.

Our warranty also comes with Porsche Assistance, an exclusive Porsche support service for added security when travelling at home or abroad – 24 hours a day, 365 days a year. Porsche Assistance includes services ranging from breakdown and recovery assistance to arranging onward/homeward travel.

* Please refer to the separate Porsche Approved individual warranty brochure for further information.
