

PORSCHE

The Macan

Price list
(edition: 10/2015)

Congratulations.

The dream of owning a Porsche goes back as far as the brand itself. Perhaps that's because there is one thing in the development of our sports cars that will never be entertained: compromise. It's the only way in which cars beyond compare can be created. A bold claim maybe, but our Porsche developers in Weissach wouldn't settle for anything less.

And the best thing about dreams? They can come true. Today, you are one step closer to one of your goals – your dream car.

You've been to your Porsche Centre and we're certain that the car of your dreams has made its first yet lasting impressions. Now all that remains for you to do is to decide on the colour, equipment and any additional personalisation packages that you would like to order. This price list will help you to do just that and show you exactly what's possible. Turn a Macan into what it was intended to be: your Macan.

Would you like to make your Macan even more individual? Porsche Exclusive offers a wide range of styling options. For your convenience, these products are identified with 'Exclusive' in the 'Order no.' columns within this price list. At the end of the price list, there is space for you to note down a summary of the equipment and personalisation options that you would like to order from your Porsche Centre. Of course, we are always happy to answer your questions

and would be delighted to give you any further information that you might need.

By the way, did you know that the Porsche Car Configurator lets you see a virtual 3D model of the car that you've personally configured even before you place your order? Please visit www.porsche.co.uk for more information.

Standard specification.

Typically Porsche:
an outstanding starting position.

select at no extra cost. And everything else? That's down to you.

A Porsche impresses with performance and design, and that's just the factory configuration. On the following pages, you will discover everything you need to know about your model's standard specification and which variations are available to

Standard specification: Macan model range.

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Engine				
Twin-turbo V6 engine with direct fuel injection (Euro 6): displacement 3.0 litres, maximum power output 250 kW (340 hp), maximum torque 460 Nm	•			
Turbocharged V6 diesel engine with common-rail injection system (Euro 6) and SCR system (selective catalytic reduction): displacement 3.0 litres, maximum power output 190 kW (258 hp), maximum torque 580 Nm		•		
Twin-turbo V6 engine with direct fuel injection (Euro 6): displacement 3.0 litres, maximum power output 265 kW (360 hp), maximum torque 500 Nm			•	
Twin-turbo V6 engine with direct fuel injection (Euro 6): displacement 3.6 litres, maximum power output 294 kW (400 hp), maximum torque 550 Nm				•
60-litre fuel tank		•		
65-litre fuel tank	•		•	
75-litre fuel tank	□	□	□	•
Misfuelling prevention		•		
Engine features				
SPORT button	•	•	•	•
Thermal management	•	•	•	•
Electrical system recuperation	•	•	•	•

For fuel consumption, CO₂ emissions and efficiency class, please refer to page 86.

• Standard equipment ◦ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Engine features

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
VarioCam Plus: continuously variable camshaft timing (intake and exhaust) and switchable valve lift (intake)	•		•	•
Integrated dry-sump lubrication with two-stage oil pumping	•		•	•
Wet-sump lubrication		•		
Twin-turbo	•		•	•
Turbocharger with variable turbine geometry (VTG)		•		
Diesel particulate filter and SCR system (selective catalytic reduction) for emission control		•		
Active radiator grille shutters	•	•	•	•
Auto start/stop function	•	•	•	•
Coasting function	•	•	•	•
Sports exhaust system including specially designed Sports tailpipes in black	○	○	•	○

Transmission

7-speed Porsche Doppelkupplung (PDK) with manual controls (gearshift paddles) on steering wheel and automatic mode, recommended gear for optimum fuel economy displayed in manual gearshift mode	•	•	•	•
Porsche Traction Management (PTM): active all-wheel drive with electronic and map-controlled multi-plate clutch with automatic brake differential (ABD) and anti-slip regulation (ASR)	•	•	•	•

For fuel consumption, CO₂ emissions and efficiency class, please refer to page 86.

• Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Chassis

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Steel spring suspension	•	•	•	•
Porsche Active Suspension Management (PASM)	◦	◦		•
Porsche Active Suspension Management (PASM) with ride height lowered by 15 mm			•	
Porsche Stability Management (PSM) with ABS, ASR, ABD, MSR and trailer stability management	•	•	•	•
OFF-ROAD button	•	•	•	•

Brakes

Six-piston aluminium monobloc fixed brake calipers at front	•	•	•	•
Combination floating calipers at rear	•	•	•	•
Internally vented brake discs with diameter of 350 mm at front and 330 mm at rear, brake calipers with silver-coloured finish	•	•		
Internally vented brake discs with diameter of 360 mm at front and 330 mm at rear, brake calipers with red finish			•	
Internally vented brake discs with diameter of 360 mm at front and 356 mm at rear, brake calipers with red finish				•
Electric parking brake	•	•	•	•
Anti-lock braking system (ABS)	•	•	•	•
Multi-collision brake	•	•	•	•

• Standard equipment ◦ Optional equipment ◻ Available at no extra cost

Standard specification: Macan model range.

Wheels

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
18-inch Macan S wheels	•	•		
19-inch Macan Turbo wheels	○	○	□	•
20-inch RS Spyder Design wheels in satin black			•	
Tyre Pressure Monitoring (TPM)	•	•	•	•
Tyre sealing compound and electric air compressor	•	•	•	•

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Sideblades painted in exterior colour	○	○	○	●
Side window trims in aluminium	●	●		●
Side window trims in black (high-gloss)	○	○	●	○
Roof spoiler in black (high-gloss)	●	●	●	●
Two twin tailpipes outside left and right with matt silver-coloured finish	●	●		
Two twin tailpipes outside left and right in Macan Turbo-specific design with matt silver-coloured finish				●
Sports tailpipes in black	○	○	●	○
SportDesign sideskirts	○	○	●	●
Rear mid-section painted	○	○	●	●
Rear apron with diffuser in matt black			●	
Preparation for towbar systems	●	●	●	●
'PORSCHE' logo and model designation on tailgate in chrome look	●	●		●
'PORSCHE' logo and model designation on tailgate in matt black			●	
'Diesel' logo on bonnet front left and right		●		

● Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Lights and vision

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Projector-type halogen main headlights with automatic, static range control including halogen daytime running lights	●	●		
Bi-Xenon main headlights including Porsche Dynamic Light System (PDLS) with static and dynamic cornering lights, speed-sensitive headlight range control, adverse weather function, headlight cleaning system, dynamic range control and four-spot LED daytime running lights	○	○		●
Bi-Xenon main headlights in black including Porsche Dynamic Light System (PDLS) with static and dynamic cornering lights, speed-sensitive headlight range control, adverse weather function, headlight cleaning system, dynamic range control and four-spot LED daytime running lights	○	○	●	○
Front light units with LED position lights and direction indicators	●	●	●	
Fog lights integrated into front end	●	●	●	●
LED fog lights			●	●
Turbo-specific front light units with separate LED position lights and direction indicators				●
Automatic headlight activation including 'Welcome Home' lighting	●	●	●	●
High-level third brake light (LED) integrated into roof spoiler	●	●	●	●

● Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Lights and vision

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
LED taillights with adaptive brake lights	•	•		•
Tinted LED taillights with adaptive brake lights	○	○	•	○
Windscreen wipers with two speeds, intermittent wipe, rain sensor and washer jets	•	•	•	•
Rear wiper with intermittent wipe and washer jet	•	•	•	•
Electrically adjustable and heatable electrically folding exterior mirrors (also via key remote), aspherical on driver's side	•	•	•	•
Interior lighting concept: glove compartment, ignition lock, reading spotlights for driver and front passenger, reading lights rear left and right, luggage compartment	•	•	•	•

Air conditioning and glazing

Tinted thermally insulated glass all round	•	•	•	•
Heated rear screen with 'auto off' function	•	•	•	•
Three-zone automatic climate control with separate temperature settings for driver, front passenger and rear passengers, automatic air-recirculation mode including air quality sensor and separate air flow regulation for driver and front passenger, AC MAX button and humidity sensor, glove compartment cooling	•	•	•	•
Particle/pollen filter with active carbon filter	•	•	•	•

• Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Seats				
Five seats, bench seat in rear with two comfort seats outside left and right and a centre seat	•	•	•	•
Power seats (front) with eight-way electric adjustment of seat height, squab and backrest angle and fore/aft position on driver's side and manual six-way adjustment of seat height, backrest angle and fore/aft adjustment on front passenger side	•	•		
GTS Sports seats (front) with eight-way adjustment for driver and front passenger and 'GTS' logo on front headrests and outer rear seats			•	
Adaptive Sports seats (front) with comfort memory package (18-way)	○	○	○	•
Four-way headrests (front)	•	•	•	•
Rear seats with separately folding bench seat (40:20:40) and folding centre armrest	•	•	•	•
Safety and security				
ParkAssist (front and rear) parking aid with ultrasonic sensors integrated into the bumpers. Audible notification of the distance to an object located to the front and rear of the vehicle and an on-screen graphical representation of the area immediately around the vehicle	•	•	•	•
Side impact protection beams in doors	•	•	•	•
Bumpers comprising high-strength cross members and two deformation elements each with one threaded fixture point for towing eye contained in on-board tool kit	•	•	•	•
Three-point automatic seat belts	•	•	•	•

• Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Safety and security				
Seat belt pretensioners (driver and front passenger, outer rear seats) and force limiters, manually adjustable seat belt height, reminder warning (driver, front passenger and all rear seats)	•	•	•	•
Full-size airbags for driver and front passenger	•	•	•	•
Front side airbags integrated into seat	•	•	•	•
Curtain airbags along entire roof frame and side windows from the A-pillar to the C-pillar	•	•	•	•
Roll-over detection for activation of curtain airbags and seat belt pretensioners	•	•	•	•
Front passenger airbag deactivation facility for installation of child seats, including indicator in overhead console	•	•	•	•
ISOFIX mounting points for child seats on outer rear seats	•	•	•	•
Engine immobiliser with in-key transponder, two-stage locking	•	•	•	•
Alarm system with remote central locking	•	•	•	•
Comfort and assistance systems				
Lane Departure Warning	•	•	•	•
Cruise control including speed limiter	•	•	•	•
Power windows front and rear, with remote closing function, anti-trap protection and one-touch operation	•	•	•	•
Auto-tilting exterior mirrors (kerb view parking aid) in conjunction with driver memory package, comfort memory package or adaptive Sports seats with comfort memory package	◦	◦	◦	•
Automatic hold function	•	•	•	•
Porsche Hill Control (PHC)	•	•	•	•

• Standard equipment ◦ Optional equipment ◻ Available at no extra cost

Standard specification: Macan model range.

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Instruments				
On-board computer	•	•	•	•
Integrated cluster of three round instruments	•	•	•	•
Round instruments with silver-coloured rev counter	•	•		
Round instruments with black rev counter and 'GTS' logo			•	
Round instruments with black rev counter and 'turbo' logo				•
Instrument cluster with high-resolution 4.8-inch colour display, gear indicator for PDK, service interval display, external temperature indicator, fuel gauge and various warning displays	•	•	•	•
Digital boost pressure gauge on colour display of instrument cluster	•		•	•
Interior				
Piano Black Finish interior package	•	•	□	□
Brushed aluminium interior package	○	○	•	•
Accent trims with silver-coloured finish	•	•	•	•
Standard interior for Macan S and Macan S Diesel in standard colour, leatherette/Alcantara®	•	•		
Leather package in standard colour	○	○	□	•
GTS leather package in standard colour with use of Alcantara® on seat centres, door armrests and centre console			•	

• Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Interior

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Fabric roof lining	●	●	●	
Roof lining in Alcantara®	○	○	○	●
Floor mats matching the interior colour in conjunction with a single-tone interior, in the darker interior colour in conjunction with a two-tone interior, with 'PORSCHE' logo	○	○	○	○
Door sill guards in aluminium with model designation at front. Macan S/Macan S Diesel: 'Macan S' Macan Turbo: 'Macan turbo'	●	●		●
Door sill guards in aluminium with Macan 'GTS' logo in black			●	
Loading edge protection in aluminium	●	●	●	●
Multifunction Sports steering wheel with gearshift paddles, rim in smooth-finish leather	●	●	●	●
Non-smoking package	●	●	●	●
Three 12-volt sockets: centre console in front, in centre console storage compartment and in luggage compartment	●	●	●	●

● Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

Audio and communication

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Porsche Communication Management (PCM) including mobile phone preparation and audio interface	●	●	●	
Porsche Communication Management (PCM) including navigation module, mobile phone preparation, audio interfaces and voice control system ¹⁾	○	○	○	●
Sound Package Plus, 150 Watt total power with integrated amplifier and digital signal processing	●	●	●	
Mobile phone preparation for conveniently connecting a mobile phone to PCM via Bluetooth® (Handsfree Profile, HFP)	●	●	●	●
BOSE® Surround Sound System with 14 loudspeakers including subwoofer, nine amplifier channels and a total output of 665 watts	○	○	○	●
Integrated aerial system for audio, navigation, telephone and TV	●	●	●	●
Digital radio enables reception of digital radio broadcasts in the DAB, DAB+ and DMB audio formats, offering far superior sound. DAB twin tuner permanently scans for alternative reception frequencies for the current station with simultaneous refreshing of station list. Reception dependent on local digital network availability	●	●	●	●
Porsche Car Connect including Porsche Vehicle Tracking System (PVTs) for retrieving vehicle data via a smartphone app and for remote control of selected vehicle functions	●	●	●	●

¹⁾ May be incompatible with some copy-protected CDs/DVDs (PCM).

● Standard equipment ○ Optional equipment □ Available at no extra cost

Standard specification: Macan model range.

	Macan S	Macan S Diesel	Macan GTS	Macan Turbo
Luggage and storage compartments				
Luggage compartment capacity approximately 500 litres; maximum load capacity with rear seats in cargo position approximately 1,500 litres	•	•	•	•
Automatic tailgate	•	•	•	•
Storage compartments in interior (depending on personalised specification): glove compartment, storage bin in centre console, uncovered storage compartment in centre console, uncovered storage compartment in rear centre console, door pockets, one storage compartment in side of luggage compartment and storage compartment in spare wheel recess	•	•	•	•
Bottle holders in door panels front and rear	•	•	•	•
Two variable-diameter cupholders in front	•	•	•	•
Fold-up centre console armrest with fore/aft adjustment	•	•	•	•
Rear armrest with two integral cupholders	•	•	•	•
Fixed, removable luggage compartment cover	•	•	•	•
Clothes hook on both B-pillars	•	•	•	•
Colours				
Solid exterior colours: Black, White	•	•	•	•
Standard interior colours: Black, Agate Grey, Luxor Beige ¹⁾	•	•	•	•
Standard colours of leather package: Black, Agate Grey, Luxor Beige ¹⁾	○	○	□	•
Standard colours of leather package including comprehensive GTS Alcantara® package: Black, Agate Grey, Luxor Beige ¹⁾		•		

¹⁾ Glass is reflective. Certain lighting conditions may cause this colour dashboard to produce a noticeable reflection on the inside of the windshield. To make certain that you are satisfied with your selection, ask your Porsche Centre to arrange for a test drive experience.

Options.

**There's nothing more to add.
Except some ideas of your own.**

No two people are identical. Why should it be any different for a Porsche? So style your Porsche the way you envisaged. With our range of options, you can go

beyond the standard specification and personalise your Porsche to your own preference.

After all, a Porsche is a symbol of freedom – and that includes creative freedom.

Exclusive.

Porsche Exclusive. 100 % Porsche. 100 % you.

You can have your Porsche 'tailor-made' even before it leaves the factory. Porsche Exclusive is the ultimate in personalisation. Tell us your own ideas and we will do everything we can to make them a reality –

provided they are technically feasible and don't compromise quality. As always, our overriding principle is that your Porsche should be uniquely handcrafted to your taste. With composure and meticulous care, inspiration and a passion for detail that sees the use of exquisite materials, we create a

product through dedication and finesse. A Porsche like no other: yours.

Either your Porsche Centre or the Customer Centre in Zuffenhausen (tel. +49 711 911-25977, email customercenter-exclusive@porsche.de) will be happy to answer any questions

about Porsche Exclusive that you may have. At www.porsche.co.uk/exclusive you will also find further information.

Please note that delivery times may be extended for certain Porsche Exclusive equipment.

Lights and vision						
Bi-Xenon main headlights including Porsche Dynamic Light System (PDLS) Projector-type Bi-Xenon main headlights with static and dynamic cornering lights, headlight cleaning system, automatic and dynamic range control and four-point LED daytime running lights. Dynamic cornering lights: main headlights that automatically swivel towards the inside of a bend. Swivel angle depends on steering angle and cornering speed The static cornering light activates the auxiliary headlights to widen the illumination of tight bends, e.g. at turns. The speed-sensitive headlight range control logic adjusts the range and aperture contour of the dipped beams at higher speeds (e.g. on the motorway) to illuminate the road even further ahead. The adverse weather function is able to dim the upper light cone in order to reduce the effect of reflection phenomena in poor visibility conditions (e.g. fog) and thus the risk of the driver being dazzled	8BE	£1,061.00 £884.17	○	○		●

Options: interior.

Piano lacquer

Piano lacquer is a particularly exquisite surface coating characterised by its robust high-gloss finish.

Leather

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hard-wearing.

Aluminium

Brushed aluminium sets clear accents and lends the interior a sporty minimalist look.

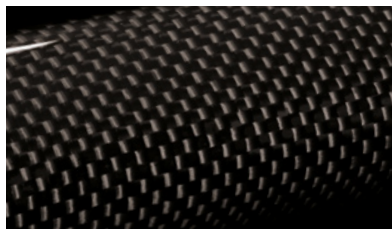

Brushed aluminium in black¹⁾

Brushed aluminium in black accentuates the interior theme of sporty contrasts.

Alcantara®

This high-quality material is particularly easy to care for and appeals with its customary tactile feel.

Carbon

Carbon is a light yet highly durable material used extensively in motorsport. Its sporty look is the ideal complement to the car's race-bred engineering.

Limed oak²⁾

Oak is a timeless genuine wood characterised by its natural-looking grain, which is brought to the fore by the effects of the 'liming' refinement process.

Dark walnut²⁾

The fine grain of this classic, high-quality dark wood radiates sheer elegance.

¹⁾ Only available for Macan GTS.

²⁾ Since wood is a natural product, there may be variations in colour and grain.

Macan factory collection.

Come and collect your Porsche in Stuttgart-Zuffenhausen or Leipzig and be the one to take it to its rightful place: on the road.

Before this, we invite you behind the scenes of the Porsche production process. As part of a guided factory tour, you will see how much passion and precision goes into everything we do. You can then take time to reflect on your experience over a leisurely lunch and look forward to the high point of the day: taking delivery of your Porsche. Our

specialists will take their time to explain everything about your new car in as much detail as you wish.

Stuttgart-Zuffenhausen is steeped in tradition and history. Here, you can visit the Porsche Museum to experience and learn about every aspect of the Porsche brand, with legendary models from a sports car history spanning over 60 years.

Or, if you would prefer your factory collection to be rather more intensive, visit our production location in Leipzig.

Your first driving experience will be a test drive in a Porsche model comparable to the one you purchased and under the expert supervision of one of our instructors. Hone your skills on-road,

on the racetrack or on our very own off-road track in a Porsche off-road vehicle.

	Order no.	Rec. retail price Incl. 20 % VAT Excl. 20 % VAT
Factory collection in Zuffenhausen	SZ8	£632.00 £526.67
Factory collection in Leipzig including intensive driving induction ¹⁾	S9Y	£797.00 £664.17

¹⁾ The factory collection in Leipzig option is a non-binding limited offer. For the latest information on availability, please consult your Porsche Centre.

Equipment accessories available from your Porsche Centre.

Below and on the next page you will find a small selection of Porsche accessories from the Tequipment Macan catalogue

for the Macan model range. Please see the catalogue for a wider selection of original Porsche accessories for your

Macan model. The prices specified are exclusive of fitting (if applicable). Additional costs may apply for painting

and installation carried out by your Porsche Centre.

Product	Description	Rec. retail price Incl. 20% VAT Excl. XX20	
Roof box 520	Lockable plastic roof box in black (high-gloss) or platinum look with a capacity of approximately 520 litres and an integrated ski carrier. Can be opened from either side of the vehicle. Dimensions: L 2,180 mm x W 895 mm x H 400 mm	£800.32 £666.93	
All-weather floor mats	Set of four in interior colour of Black, Luxor Beige or Agate Grey with an appealing design featuring the Macan silhouette and 'PORSCHE' logo. Anti-slip and waterproof with perimeter ridges	£82.24 £68.53	

Tequipment accessories available from your Porsche Centre.

Please note that Tequipment products are only available from your Porsche Centre and cannot be ordered as factory-fitted

options. This also applies if you choose to collect your vehicle in person from the Porsche factory. Whichever Tequipment

products you ask your Porsche Centre to fit, one thing remains unchanged: your original vehicle warranty.

CO ₂ emissions in g/km	212-204	164-159	215-207	216-208

¹⁾ Data determined in accordance with the measurement method required by law (Regulation EC 715/2007 as amended). The figures do not refer to an individual vehicle nor do they constitute part of the offer. They are intended solely as a means of comparing different types of vehicle. Fuel consumption calculated for vehicles with standard specification only. Actual consumption and performance may vary with items of optional equipment. A vehicle's fuel consumption and CO₂ emissions depend not only on its efficient use of fuel but also on driving style and other non-technical factors. The latest Porsche models with petrol engine are designed to operate on fuels with an ethanol content of up to 10%. You can obtain further information about individual vehicles from your Porsche Centre.

²⁾ Measurement bandwidth dependent on tyre set used.

Porsche recycling and further information.

At Porsche, we have high standards, not least when it comes to quality assurance and the environment. This is clearly demonstrated by our comprehensive recycling concept. Even in the vehicle development phase, we make every effort to comply with worldwide accepted recycling regulations. The result is that our vehicles and their components are designed with recycling and reuse in mind. We are striving constantly to make our vehicles as environmentally friendly as possible.

We aim to explore feasible opportunities to conserve resources and minimise our impact on the environment. We use modular components to make the dismantling of vehicles as uncomplicated as possible in case of reuse, and solutions for separating out materials and then collecting materials of the same type. All the materials in our vehicles are labelled to facilitate future separation and collection with a view to their recycling. The reduction in the wide variety of plastics used makes it easier to exploit these opportunities. Recycled plastics

and renewable raw materials are used where they meet our exacting technical requirements.

Porsche has established a network of take-back and recycling facilities. Only certified dismantling centres are permitted to dismantle our vehicles, thereby ensuring the safe disposal of fluids and pollutants. Of course, this is always carried out in accordance with our detailed dismantling and draining instructions and in conformity with regulations governing end-of-life vehicles. For a long time now, our recycling efforts have concentrated on more than metal materials alone. An increasing proportion of plastics and operating fluids is also being submitted for recycling.

This reduction in waste has benefits not only for the environment but for you, too. These benefits are achieved through the use of selected, long-lasting operating fluids, which are key to reducing the scope of routine maintenance work and the frequency of specified maintenance intervals.

For more information on optional equipment and the Tequipment range of Genuine Porsche Accessories, please contact your Porsche Centre. Alternatively, you can visit www.porsche.co.uk or call international dialling code for Germany 00 49 1805 356 911 or contact us by fax on 00 49 1805 356 912 (landlines 14 ct/min; mobiles max. 42 ct/min).

Prices are valid only for orders for new vehicles. The prices stated do not apply to options ordered after your car has entered production. All prices are effective for vehicles completed in production from 28 October 2015 onwards and are recommended retail prices including VAT and cost of installation but excluding delivery.

Porsche reserves the right to alter specifications, equipment and delivery scopes and times without prior notice. Colours and materials may differ from those illustrated. Errors and omissions excepted.

For information on standard and optional equipment, please consult your Porsche Centre. A fee is usually charged for delivery of the vehicle to the Porsche Centre. This fee is determined by the Porsche Centre from which the vehicle is purchased. For further information, please consult your Porsche Centre.
