# Co-Branded Motor Oil

Porsche Mobil 1

# PORSCHE

A Porsche is built to achieve maximum results. On the race track, on the road and in every corner. In order to achieve this optimum performance, a Porsche also needs the right engine oil.

We've tested a lot of engine oils on the race track and proudly look back at more than 20 years of collaboration including many victories with ExxonMobil.

Our experience shows that only Mobil 1 guarantees maximum performance and an equally high-octane driving experience – available for our racing cars and factory filled as standard for all Porsche road cars.

Mobil 1 offers excellent wear protection, excellent cleaning properties and improved fuel economy.

To cover our model range we offer four different co-branded oil grades in Taiwan:

- OW-40
- ESP 5W-30
- ESP X2 0W-20
- ESP X3 0W-40

Exclusively available at our dealerships – for further information please contact your local Porsche Centre.

# Porsche Mobil 1 Co-Branded Motor Oil

Derived from the race track, made for the road.
